# IMPORTANT INFORMATION

## MEALS

EPOSHC provides all meals in line with nutrition and PANOSH standards, catering to dietary requirements listed on enrolment forms. Our meal schedule includes breakfast (6:30-8:00 AM), morning tea (9:00 AM), lunch (12:00 PM), afternoon tea (3:00 PM), and a late fruit snack (5:00 PM). On certain days, children may assist in preparing their own snacks under close educator supervision, with strict hygiene practices.

To ensure safety, EPOSHC is a strictly nut-free environment. The menu will be emailed to families before the start of each week.

## WHAT TO BRING?

Children are required to wear closed-in shoes, a hat, and sun-safe clothing (no singlets) to ensure their safety and comfort. We recommend families pack spare clothes for their child, especially if required or recommended for specific activities, and encourage packing spare underpants and bottoms for younger children. A water bottle is also advised to keep children hydrated throughout the day. Please ensure that all clothing, bottles, and other personal items are clearly labeled, as it is the responsibility of families to keep track of their child's belongings.

## BOOKINGS

Bookings for our program can be made via the OWNA app once the program is released, though please be aware that fees may be updated closer to the date if needed. If a session is fully booked, families can select the waitlist option. The centre will reach out if a space becomes available.

During Vacation Care, we operate at a reduced capacity due to extended staff hours and the need to maintain legal educator-to-child ratios. Cancellations require one full week's notice, without exception.

## HALF DAYS

Half Days have strict start and end times, if children are picked up or dropped off outside these times it will revert to the full day price.
